

**SAN DIEGO CHAPTER
U.S. NAVAL ACADEMY ALUMNI ASSOCIATION
RENEWAL & NEW MEMBERSHIP FORM**

What benefits do alumni derive from membership in the local Chapter?

LOCAL CHAPTER EVENTS: The monthly newsletter provides a schedule of local events including luncheons, special dinners, and social activities (e.g., ARMY-NAVY events, golf tournaments). Members pay a lower ticket price for those events than non-members. And the website remembers your information when buying tickets online.

LOCAL MEMBERSHIP DIRECTORY: You will have access to an on-line, comprehensive membership directory that lists all members in the local Chapter. This handy reference provides contact information for all Chapter members and is searchable by name and/or Class.

ACCESS TO NETWORKING OPPORTUNITIES: Whether you are looking for a job or looking to do business with fellow graduates, the Chapter’s monthly meetings and social events are designed to help all members.

SUPPORT OF THE NAVAL ACADEMY: The local Chapter routinely supports the Naval Academy and its mission. This includes representation of our members on the national Alumni Association Board of Trustees.

INTERNET HOME PAGE: The Chapter Home page at <http://www.usnaaasd.com/> includes the current newsletter, meeting and event information including on-line registration, and links to other sites of interest to alumni. The newsletter also provides a means to pass on specific class news and networking or job-search information.

ANNUAL DUES: The dues for membership in the San Diego Chapter cover the period from your payment through the next 12 months. The dues are \$25 per year (\$15 for active duty O-3 and below). You may pay on-line by credit card or by check payable to “USNA Alumni Association, San Diego Chapter,” mailed to the treasurer at:

USNAAA SD Chapter
