**U.S. NAVAL ACADEMY ALUMNI ASSOCIATION**  
462 Westview Drive, Chula Vista, CA 91910

**RENEWAL & NEW MEMBERSHIP FORM**

What benefits do alumni derive from membership in the local Chapter?

**ACCESS TO LOCAL CHAPTER EVENTS:** Members receive a monthly newsletter designed to give a schedule of local events including luncheons, special dinners, and social activities (i.e. Stadium Tailgates, ARMY-NAVY events, Golf Tournaments, etc...). The newsletter is also used to provide a means for members to pass on specific class news and networking or job-search information.

**LOCAL MEMBERSHIP DIRECTORY:** We routinely publish a comprehensive membership directory which lists all of the members in the local chapter. This handy reference lists members by class, alphabetically, and by profession.

**ACCESS TO NETWORKING OPPORTUNITIES:** Whether you are looking for a job or looking to do business with fellow grads, the local chapter has an organized networking program (with monthly meetings) that is designed to help all members.

**SUPPORT OF THE NAVAL ACADEMY:** The local Chapter routinely supports the Naval Academy and its mission. This included representation of our members on the national Alumni Association Board of Trustees.

**INTERNET HOME PAGE:** Look at the Chapter Home page which includes the current newsletter, meeting and membership forms, names of chapter members, and links to the Naval Academy and San Diego home pages.

**ANNUAL DUES:** The dues for membership in the local San Diego Chapter cover the period from your payment through the next 12 months. The dues are \$20 per year (\$10 for Active Duty O-3 and below).
