### President's Letter

Dear fellow Alumni,

As I write my last letter to you I have mixed emotions. When you have the opportunity to serve with great people and serve great people it is inspiring. I have been able to serve with so many great people on our Board in the 6 years since coming to San Diego and these last two as your President.

We have grown our Chapter to over 1000 alumni. The closest chapter to us is 400. We have had events that make you know why our chapter is so well attended. Our people, those who plan our events, those who work and run our events and our alumni who consistently attend and support our Chapter, National and the U.S. Naval Academy.

I am proud to have been able to serve you all. My proudest moments were singing Navy Blue and Gold and hearing you all sing from your heart. Whether we sing first or last (and we know how many years now we have sang last, 13!!!) it is always my proudest times.

I know you are going to support Gilda Reeves, our new President, to the 100% you have given to me. She is committed to you, our Board, and our members and is going to take our Chapter to the next step by getting our chapters involvement to reach all ages and all classes.

Thank you!!

**BEAT ARMY!!!**

### Class Rep News & Gouge

**We are AT 1,000 members - who will be 1001?** Keep recruiting your classmates to join the biggest & best USNAAA Chapter worldwide!  
Class Reps are still needed for the following year groups: 1943, 1945, 1946, and 1954. Please contact and encourage your local Classmates who are not yet Chapter members or need to renew their lapsed membership to join or renew and stay connected with our super USNAAA San Diego Chapter and receive excellent member benefits with discounted pricing to most of our events. FYI,

the primary reason stated by Navy Grads for not joining the USNAAA San Diego Chapter is that they assume that USNAAA Life Membership with Annapolis automatically signs them up for membership in their local USNAAA Chapter - this is not the case at all. When you meet a Classmate or USNA Alum, provide them the gouge about our local Chapter and direct them to the USNAAA San Diego Chapter website

[www.usnaaasd.com](http://www.usnaaasd.com) to sign-up to become a local member - thank you very much for your assistance! The Class Rep position has proven to be the cornerstone for strengthening local USNA and Classmate camaraderie while at the same time promoting all of our upcoming San Diego Chapter luncheons and special events. Serving as a Class Rep is a great way to stay connected with your local area Classmates by encouraging their support of our Chapter as well as by keeping everyone up to speed on all of our current USNA news and upcoming Chapter gatherings. Please contact Vice President for Membership, Craig Smith '82 at (619) 623-5509,

[vpmembership@usnaaasd.com](mailto:vpmembership@usnaaasd.com) to volunteer to fill a Class Rep vacancy or to discuss any questions regarding application for local Chapter membership. Thank you very much for staying connected with your local Classmates and fellow Alumni - Go Navy, Beat Army!

### Membership

**Current Members – 1000**

**Paid Members – 469**

### The Importance of Chapter Membership

There is a lot of value as a result of maintaining a current membership in our local San Diego Chapter. Here are few of the reasons it makes sense to JOIN or RENEW your Chapter Membership:

**Blue & Gold Support:** The Chapter is the primary funding source for the San Diego Blue & Gold Program, which is one of USNA's primary recruiting programs. Between 20 and 30 Plebes from the San Diego area are inducted each year.

**USNA Program Support:** From time-to-time Clubs (Rugby, Glee Club, etc.)

seek funding assistance for San Diego area visits. If you were involved with a club as a MIDN you'll recall that USNA funding generally didn't cover all team activity costs, this has not changed. The Chapter supports as many requests as it can.

**Chapter On-Line Directory Access:** Only Chapter members have access to the database of over 3000 area alumni.

**Preferred Pricing for Chapter Events:** All Chapter events have a non-member surcharge, so you will normally save \$5/event.

**It's Cheap & Easy to Join:** \$25/yr; \$15/yr Active/Reserve O-3 & below. Visit [www.usnaasds.com](http://www.usnaasds.com) and click on the membership tab.

**Call to Action to all San Diego Area Alumni!!!** Please update your profile by logging onto [www.usnaasds.com](http://www.usnaasds.com) and clicking on the "My Account" tab in the upper right hand corner. Next, click on the "My Profile" tab in the middle of the page followed by the "Edit Profile" tab. You will be able to update your profile. Be sure to put your year group in the "Year" field in the "School 1" part of the "School Information" section.

**Forgot your password?** Email the Chapter Webmaster to receive a temporary one. Please avoid creating a new record.

**Friend us on Facebook!** Search for "USNA Alumni Association San Diego Chapter" or use the following link: <http://www.facebook.com/pages/USNA-Alumni-Association-San-Diego-Chapter/11729679215>.

### Obituaries

#### **RADM Stanley Thomas Counts, USN (Ret) '49**

Passed away on January 27, 2015 from complications of Alzheimer's disease. He was born in Weleetka, OK in 1926 to Claude and Thelma Counts. He graduated in 1943 from East High School in Wichita, Kansas. He attended Wichita State University after enlisting in the Naval Reserve in March 1944, attended Washburn University (Topeka, KS) under the V-12 program, prior to entering the U.S. Naval Academy in June 1945. He was commended for leadership while at the Naval Academy and graduated on June 3, 1949. He had previously met a young, very attractive lady (while home on leave) on a double date (although he wasn't her date at the time!) He persistently pursued her long distance while at the U.S. Naval Academy and he and Bette Heft were married in Wichita on November 18, 1949. They immediately moved to Norfolk, VA where Stan went to sea to start his career as a surface warrior.

His initial sea tours were First Lieutenant, Assistant Gunnery Officer and Communications Officer on board USS O'Hare (DD-889); Combat Information Officer on board USS Bexar (APA-237 during the Korean War; Operations Officer on board USS Keppler (DDE-765); and Navigator and Executive Officer on board USS Coolbaugh (DE -217).

He received his MS in Engineering Electronics from the U. S. Naval Postgraduate School, Monterey, in June 1955. Coincidentally, during this time their daughter, Ashlie, was born during their time in Monterey, CA.

In 1959, he was assigned to the Office of the Chief of Naval Operations, as Assistant for Operational Control Center Systems then became the commissioning Executive Officer and Navigator of USS Lawrence (DDG-4), which participated in the Cuban Missile Crisis. He was the commissioning Commanding Officer of the USS Bronstein (DE-1037) and had additional duty as Commander, Escort Division, THIRTY-TWO.

Staying in San Diego, he served as Operations Officer and Assistant Plans Officer on Commander Cruiser Destroyer Force, Pacific Fleet and in July of 1966 became Commanding Officer of USS Towers (DDG-9). He was awarded the Bronze Star Medal with Combat "V" for heroic operations in combat, taking his ship into heavily fortified waters of Haiphong Harbor to rescue a downed US aviator. With North Vietnamese gun batteries attempting to engage Towers, CDR Counts expertly maneuvered his ship in full defensive posture and successfully rescued the downed airman.

In August of 1968 he became the first Project Manager of the NATO SEASPARROW Surface Missile System and started a program that has become the longest lasting and most successful U.S. cooperative weapons program. He was awarded the Legion of Merit for exceptionally meritorious service for establishing NATO SEASPARROW. He assumed command of the guided missile cruiser, USS Chicago (CG-11) in November of 1970 and during his command USS Chicago was awarded the Meritorious Unit Commendation and he was personally awarded his second Legion of Merit for combat operations in Southeast Asia. He was selected for Flag Rank in the spring of 1971 and became the Director for Ships Weapons Electronics Systems, Office of the Deputy Assistant Secretary of Defense (Production Engineering and Material), Office of the Assistant Secretary of Defense (Installations and Logistics.) RADM Counts was awarded his third Legion of Merit for "outstanding service in connection with implementing revised procedures for the acquisition of major Defense Weapons Systems." During this time he also served as United States Member, NATO SEASPARROW Project Steering Committee, serving as the second Chairman from April 1973 to December 1976.

In January 1974, he was appointed by the Chief of Naval Material to chair the Action Group to plan the merger of the Naval Ordnance and Naval Ship Systems Commands. In April of 1974 he became the last Commander, Naval Ordnance System Command and in July 1974 assumed duties as the first Vice Commander, Naval Sea Systems Command.

Admiral Counts' last at sea command was as Commander, Cruiser Destroyer Group Five from 1976 to 1978. During this time he deployed twice to the Western Pacific and Indian Ocean, serving as Commander, Cruiser Destroyer Force, Seventh Fleet (CTF-75). He was awarded his fourth Legion of Merit for "displaying inspirational leadership and unparalleled professional expertise." He retired from the U.S. Navy in 1978, after 34 years of service and in 1979 joined Hughes Aircraft Company in Fullerton, CA. He served as Manager for the Spares Program Office within the Ground Systems Group and as Assistant Division Manager for Engineering Services and Support. He retired from Hughes in 1989.

Stan and Bette enjoyed sailing – they sailed around San Diego, around Turkey, and around the Caribbean. They also learned to snow ski when they were 47 and skied all over Europe, Argentina, New Zealand and the United States. (Mammoth Mountain became their favorite place.) Stan was also an avid, if frustrated golfer, and enjoyed playing on many golf courses around the world.

Upon retirement from Hughes Aircraft, he did not sit back and rock on the porch – he volunteered throughout San Diego, serving as President for Greater La Jolla Meals on Wheels, President of Freedoms Foundation of Valley Forge and was a member of the La Jolla Guild, the San Diego Opera, the California Ballet, the Rest and Aspiration Club of San Diego, the Navy League, the American Legion and the VFW. He also was a life member of U.S. Naval Institute, Disabled American Veterans, Military Officers Association, and the U.S. Naval Academy Alumni Association. He also was a founder of the Surface Navy Association and served on the Board of Directors from 1985 – 1993.

Rear Admiral Counts' awards include the American Campaign Medal; World War II Victory medal; Navy Occupation Service Medal (Europe Clasp); China Service Medal; National Defense Medal (two awards); Korean Service Medal (two awards); United Nations Service Medal; Navy Expeditionary Medal (Cuba); Armed Forces Expeditionary Medal; Vietnam Service Medal with two stars; the Republic of Vietnam Campaign Medal; Bronze Star with Combat V, and Legion of Merit (three

awards). He was also very proud of the fact that all three of his commands earned the Battle Efficiency "E" while he was in command.

He is survived by his wife of 65 years, Bettejan H. Counts; his daughter, Ashlie Counts-Jenkins and son-in-law CAPT Robert D. Jenkins, III, USN (ret) of Tucson, AZ and his two grandchildren – grandson LT Robert D. Jenkins IV, USN of Coronado, CA (USNA '04) and granddaughter Skyler Counts Jenkins of Tucson, AZ. He is also survived by his sister, Carolyn Counts Bourne of Scripps Ranch, her daughters Linda Bourne-Marcos (Marcio) of Carlsbad, Cheryl Bourne Murray (Geoff) of Solana Beach, Carolyn's son Robert Bourne of San Diego and his cousin, L. Bruce Schmidt (Pam) of Scripps Ranch and many nieces and nephews from across the country.

Visitation will be on Friday, February 6 from 2 pm – 4 pm at the Pacific Beach Chapel of Dignity Memorial, 4710 Cass Street, San Diego, CA 92109. Services will be held at Marine Corps Air Station Miramar Chapel at 1:00 pm on February 9, 2015 followed by burial at Miramar National Cemetery. In lieu of flowers the family suggests that a donation to La Jolla Meals on Wheels (<http://www.lajollamealsonwheels.org>) or the San Diego Chapter of Freedoms Foundation of Valley Forge (<http://www.freedomsfoundationsd.com>) be made in his name.
